

Student Computer Usage – Mount Royal Collegiate

Computer usage at Mount Royal is a privilege and _____

who had electronically agreed to the “SPS Acceptable Use Policy” has now violated

this policy on _____ by:

- _____ a) modifying or adjusting computer or network settings
- _____ b) installing unapproved software and or devices
- _____ c) continually accessing inappropriate internet sites
- _____ d) sharing his/her password or using someone else’s login ID.
- _____ e) inappropriately using social network sites and email
- _____ f) improperly using copyright material
- _____ g) damaging computer lab equipment

The result of this violation of policy results in the immediate removal of “access privilege” to our computers and network.

1. Access privilege will be withheld for a period of ____ weeks starting on _____. Access will be denied for this period of time even though a computer may be required for completion of work in other teachers’ classes.
2. During this time _____ will have to meet with a school administrator, the IT leader(s) or teacher librarian.
3. The student will be financially responsible for any and all damages done to our computers or network.
4. Any subsequent violation of this policy will result in denial of computer privileges for either a semester or an academic year. (This could carry over to the next academic year).
